

FUN FLURRY

CO-CURRICULAR Session 2026-27

The school strongly believes in supplementing the classroom teaching with other activities that enhance the learning process and help the children to discover their hidden talent. Beside providing facilities and opportunities, the children are encouraged to participate enthusiastically in these activities which helps them to develop wholesome personalities. So every Saturday and other important days are kept aside for such activities and competitions moreover teams and students to the school are also sent for various inter-school, district and state - level competition time to time.
